

HER EDUCATION. HER FUTURE.

How we support her journey back to school

Every girl has the right to education, health and a bright future.

1

PREGNANT SCHOOL GIRL

A pregnant learner faces an uncertain future. Let's choose education, not early pregnancy.

2

COUNSELLING SESSION

She receives counselling and support with her guardian at a counselling centre.

3

PREGNANT LEARNER IN SCHOOL

She continues her education in a safe, inclusive and supportive school environment.

4

SAFE DELIVERY

She delivers safely at a health facility and her baby is welcomed with care and love.

5

WELCOME BACK TO SCHOOL

After recovery, she is welcomed back to school to continue her education.

6

YOUNG MOTHER THRIVING

She balances school, motherhood and her well-being while building a better future for herself and her child.

SUCCESS!

She graduates and achieves her dreams. Her future is limitless.

EDUCATED.
EMPOWERED.
EQUIPPED FOR
A BETTER FUTURE.

School re-entry works. Let's support girls to return, learn and lead.

EDUCATE HER TODAY. EMPOWER HER TOMORROW.
